The Yeshiva College Campus, comprising the Yeshiva College School and the Yeshiva Mizrachi Community with its partners the Beit Mordechai Campus Kollel / Midrasha as well as Bnei Akiva and Emunah Ladies Beit Midrash, is a vibrant and active campus with over 750 students in our school and over 500 families in our community. The campus is the home of religious Zionism in the South African Jewish Community and is a beacon of light around the world.

The Yeshiva College Campus seeks to appoint a Campus Rosh Yeshiva who will lead, guide and build our Shul congregations, our Torah learning, our school and community activities - from young to old, and into the next generation.

Continuing in the footsteps and legacy left for us by our dear and esteemed Rosh Yeshiva of many decades, Rabbi Avraham Tanzer Zt"l, we are searching for an innovative and dynamic candidate with a warm personality, a relentless work ethic, steeped in Torah learning, knowledge and instruction of halacha. We are looking for a Rabbinic leader connected to the values of Talmud Torah, Eretz Yisrael and Am Yisrael who will work with our team of committed Rabbanim to strengthen the connection of our community to learning, all aspects of religious life and to the State of Israel.

The successful candidate for this position must hold the following credentials, and embody the following values and personality traits:

- has spent a substantial period of time in full time learning in Yeshiva / Kollel (minimum 5-7 years) and obtained a recognised Semicha (From the Israel Chief Rabbinate or equivalent)
- has held a community leadership position in the area of communal Rabbinics
- acts as a role model in terms of religious observance and practice
- is an experienced teacher of all ages who will engage, ignite and inspire the community members at all levels of prior learning
- has a breadth of knowledge in secular subjects and how they relate to the Jewish role in the world, in conjunction with being an accomplished Torah scholar
- is an outstanding leader with strong abilities in interpersonal relationships
- must be able to set the halachic standards of the campus and serve as the Halachic Posek on halachic and religious issues
- must be passionate about community building in all areas including school, shul and involvement of the Yeshiva Mizrachi community within the wider South African community context and international Jewry
- must be a passionate advocate for the State of Israel with a willingness to actively engage in communal religious and Zionist activities
- involvement of a Rebbetzin would be enormously beneficial

Please send a detailed cover letter and your curriculum vitae (CV) outlining your qualifications and experience to Stacey Dembo at stacey@yeshivamizrachi.org.za by midday on Friday 12th of March 2021.
